

## POST-TOP MOUNT SPECIFICATIONS

The post-top entry mount is a two-piece adaptor constructed of die-cast A360 aluminum and finished with a durable polyester powdercoat topcoat. The post-top mount matches the design profile of NXT and NXT-Lite series luminaires for seamless vertical mounting to both 2.375" (60 mm) and 3.00" (76.2 mm) diameter poles. It is available in three standard colors: grey (RAL 7035), bronze (RAL 7022), and black (RAL 9005). Please consult with your local representative for details about custom finishes.

## ORDERING INFORMATION

NXT	Quantity	Post-Top Angle	Color	Stock Code
NXT-C		0°	GREY	FP-PTB-NXTC-GREY-LF
		5°	GREY	FP-PTBP5-NXTC-GREY-LF
